- Problem Solving

Project:

Roomies – It is a website which helps a person to find roommate in any new place. In this we had used HTML, CSS, Bootstrap and JavaScript for front-hand.
I contributed in this project by designing and prototype (UI/UX) and developed webpages using HTML, CSS and JavaScript.
Shakti App – Shakti, a Women help cum NGO app. I had design UI and Prototype the app using Figma.
Portfolio – It is my portfolio. I used HTML and CSS to make it. It is also live on google drive.
